

EQUILUX BOLT-ON SECURITY SHUTTER

Providing the residence with a hardened layer of protection, the Equilux Bolt-On Shutter is a high performance security system developed to ensure secure enclosures without compromising on aesthetic. Equilux Shutters are the most intelligent, traditional security measure currently available for the prime residential security market.

Featuring several lath profiles styles including perforated with up to 13% free airflow, the shutter curtain can be provided with a natural anodised, polyester powder coating or wood grain effect finish complete with manufacturer's warranty.
